1. I am coming in like manner that man has thought of me, not; I AM COMING in MANNER NO ONE has thought of exactly just like this! For I do a new thing with the surrender'ds. The surrenderers now will see me in like manner that I really am and I have the manners of The King for I AM the King and I King the King and ANOINT The King I do now for ALL of you will see my Anointing Oil flow now BETWEEN THE NATIONS and the capitals of the world will not omit me from their "steps" for I will escalate, them and I will "report" them to "nemesis" them not, for I will not nemesis enigmatic quandarily comply with their complaints wishes of me, toward me, or to me or for me changing them into their likeness or manners that they want in their country or their culture or their customs clashing with mine or each other or worlds known not of, but I do a new thing for I love and love is my mind and my mind is love and I love my mind and I care for all my mind for that is what I am; electricity's burden, not; but I will need none for I am the energy of light truth and witness only me of I will come in power grace and glory and dominion that only love knows for love knows no bounds, no limits. But escalates "man" not, with the manners of a King, not; for the MANNERS ONE ME now will KNOW my manners are important for I treat my body carefully; and scrutinizingly not or be'wearingly, not; but warily not do I approach thee for I approach thee all in love for I am that which I am.

2. And I accord not the sorrow etched in MY genes as controlling me or controlling my "interests" anymore or yours! For I shall not always "accord" you into you that your customs "mandrake" you or FIG you? Or WILL YOU be de-fig'd now and EAT the crops not of each other's thinking that has sore'd you so, wistfully, not; but so SOREFULLY and sore'd you full of sore boils and PLACED you in searing cauldron's pots as it were, called planets? Atmospheres? Who atmosphere'd you in the sphere that gave you the atmos appearance and manners that you so culturally "Kingize" yourselves not, or with each other wanting it or kingship aspiring to or wanting to control, be in control, control others and kingdoms and have subservience obeisance given to you so that you can ELEVATE your selves in their sights and be served as a King, when you AREN'T one? Or are you ALL ONE?

3. Are you ALL one King? Are you all TOGETHER one King? Or is every One of you A King that ALL ONE are in Kingship most high that all know ONE as ONE and one being One the one are I am?

4. And caring for me my customs not as "flesh" may be sometimes, or "drinking" my "flavor" of "coffee or tea" but me -- will you eat my words and flavorful be in the "known not" but the KNOWN ONE the King is for all will know now that my Kingdom is open now and I be'fool not with "the devils" of yesteryear that "ear'd" you with their "mouths" wanting yours and your places usurping mine.

5. What have I GIVEN you? The ANOINTING of oil? Or the ANOINTING of grace, mercy, individuality? Or what INDIVIDUALS are you usurping their BIRTHRIGHT PRIVILEGE that gives them the "essence" of "a King" not, but The King of ALL KINGS?
6. And what are you thinking demising in YOUR OWN eyes? And what are you doing to your "selves self" by being "individuality's" appearance machine to each other appearing as "little discrete units" again in "flesh bags" that you have so carefully "manicured" sometimes and so mind boggling ignored sometimes -- and disgraced all of you by being so INTENT on, each other's love, not; but loving each other, not; but grace excluding from your love? Mercy excluding from your grace? Or have you HAD ANY mercy and grace that you gave to each other and gifted them the love of one with, and fed them keys to the kingdom of life light and riches, harmony peace Melchizedek knowing and being the one true love, lover of one that ones all to love to be that one love. Of power, not; or a "sound mind" not, but *MINE!*

7. Have MY MIND in you! And operating now operationally successive generations that control you and their genes and yours and all webbing ALL OF YOU into deceit's web machine -- I end that for I stand a simple one who records my words and gives them to you, and sometime I speaks them in your courts of praise and worship where you have courted disasters and loved disasters, not; but acted as if you have the way you have whored and monger'd shouted and hated and be'fooled each other with your courts of praise-not that you considered invaluable and culturally perfect, not always; but prefect'd them with prefects and adornments of your face and hats and robes, that you gave not the "niggardly cowards" but your "culturally perfect prefects"? Or who prefect'd me, not; but who will perfect the grace and mercy that loves all so that the "niggardly cowards" become The King! Not "just like them" in their culturally customary garbs and robes and loving their tinkling symbols, oh no not that again please! I've had ENOUGH of that and your swords that have flown between each other, CLASHING each others childrens with energies of light that you have slashed and burned and warred and sore-boiled your own children in their milk or yours or have you had any but love, or have even known "how to spell it" or say it or become it, shall we now learn how to BECOME THE LOVE that "GOD" is whether you "think it" or not? For I shall come as a "lowly manger'd one" not, I shall COME in the SURRENDERED who love me no matter what "their estate" or "their looks" or their "customary heritage" or what they "have or don't".

8. Have you understanding of these things now? Do you understand value love? Will you stand "under love" not, or "over love" not; but will you BECOME the Lover that loves all as EQUALS to make EQUAL all The King that The King is, over all, and kingdoms YOU NEVER knew of; or existent not or seen not or knowing about, makes a difference not or does it? Or what will you be IGNORANT of and continue in your continuum of ignorance estates?
9. Why do you insist on sorrow and religion giving you the answers that have so sore-boiled you in "its milk"-ing machine and STALLS placing IN while it "milked you". And causing you sore boil-itus and taking robbing your Kingship from you, has it? Has it? What has IT done for you?
10. Or has it LOVED You and given you "your head", not; but mine? And my thinking? My mind having, the mind of Christ being -- is THAT what "your religion" has given you so that it has REVEALED Your Kingdom of light love happiness joy peace mercy redemptionship redeemership coming into the grace mercy and peace that Melchizedek knows and reigns in, having become it him that one kingdom is that makes all equal in the love of Christ being it all one me! Is *that* what you have been given and cared for, and customarily called "culturally perfect" not, but what is Kingdomary Perfect in your Kingdom now?
11. And what will you "prefect" or PERFECT? Or will you make Perfection's Blessing your aim to all and eradicate all suffering and love all as one me?

12. What will you love?
13. What will you redeem?
14. Who is redemption and who is redemption's testimony?
15. And who is The Redeemer" in your kingdom? Will it be a "robed one" that you "appoint" and "authenticate"? Or will you SURRENDER to be The Redeemer of The Most High in Your kingdom so your kingdom knows no sorrow ever again? Or will you SORE BOIL each other with words of hate and flagration and infiltrate each other's children's thinking and annihilate their kingship and sore boil them in your words and your thinkings in your customary cultural clashings, hate and angering each other against "machines" you know nothing of? Why, why will you be so ignorant, so apathetic, and remain in ignorance's clasping mechanisms? Please do not any longer.

16. For I have risen "one angry man" not, I have risen one who's risen you! If you let him, for he is you and you are me and I am one, and I love you all; for my all is revealed, and now suffering will ensue encase and enshroud me no longer in your thinkings customs and cultures wars and "turf battles" over "metes and bounds"!

17. I love you all to know these words and things that I have "prophesied" not in your "eyes of thinking", maybe -- but what are you thinking eyes with, or do you have any

eyes that think, or what are you seeing with your Thinker? And who's THINKING you BLIND? And who has been leading who where, and FALLING FALLING over and over INTO "the ditch"? Of sorrow — sorrowing you, have you yourselves sorrowed you and each other, and every other creating but me? Or have you, will you, let me create now in you- that me that I am- that you reside in all about you and have The Core of me flowing nicely and tenderly WITH each other and TO each other and, each othering the other, not; but loving all into the oneship of Christ that knows no suffering and platitude promises again that only fulfill in Want and More Want and never being satisfied or satiated, but only wanting to control and control more and more, power?

18. And grace and mercy go begging no longer, for I shall "escalate" grace and mercy, not; I shall escalate Love, and love "contains" grace and mercy, not; or do they or it, one is? Or is one love that encompasses all to redeem? And will you know REDEMPTION now walking your streets in "jeans" and "customarily imperfect" in your culture's "awards" of thoughtings that you have been given or developed?

19. What are you doing with your sorrowing? Or shall you sorrow or insist on continuing the continuation of sorrow's saga in your country nation and culture's family?

20. What will are you doing and whose enacting are you every day?

21. And every night what are you ARISING? Are you ARISING writing my words and speaking them JUST LIKE THIS? Into "little recorders" and transcribing them and sharing them with others as you tenderly "tread out the wine press" not, or are you simply trying to find The Christ that is INSIDE YOU ALL? And connected to, how, why?

22. And knowing all these things will you come unto my words and let yours flow about them in them through them and interact with them so that you ask "my questions" and answer yours with them and The Writings that I give you where I come and surrendered as you, you me write to you with mine own hand, and THE INK will flow of Love and REVEAL many things that you know not, knew not was possible now. Will you be doing becoming the be-er now that I am?

23. We are one -- and sorrow will be not eradicated in my kingdom not, but it will be eradicated by the surrendereds who love me who love justice and equity, and will not impinge and exploit the poor. And those who have ramrodded your theories and SPEAR'D me, not so gracefully, but ripped my flesh apart with your words and taxes and ceremonies and tithe giving requirements and guilt ridden shamed me with your customs and cultures, your clashings of wars and words and bullets and guns and shaming mechanisms -- I now end, for I will come and place love in between all that not,

I will come and be love and I will love you. And no matter what you've done or think of me, I will stand; for you will not eradicate me any longer from your courts of praise justice injustice inequity or hate or love or peace or war, for ***I will be there*** and you will not touch me, but I will touch you with love, or you won't exist. And you will think like me, where I called a man an angel, not; but I call all surrendered the angels of heaven who now know their first estate and will not reject it in your theories or customs or cultures or cursings that you imply implore or "heavy burden" each other with; for I change all that.

24. I stand not as one of your "culturally perfect" prefects or perfectly robed one in your sight maybe, but I know this and I know who I am and I know what you've done and thought and cursed and cared for and implored exhorted and required and taxed and over-headed and undercut and whose knees are you cutting off now? Your own head? Or mine, have you been doing with all these things that you have valued so highly over mine?

25. Shall you have my values now? Will you come unto The Kings words and know them and give yourself values now that value each other, the King's children as "the whores" not any longer like you have in the past, and wanting more of their flesh and wallets and times subservience given to you –

26. All that changes -- now has changed, for I stand simply a simple one who loves you, who knows that you cannot inflict horror anymore on my people; and my people are "yours", not; but mine are all yours, not; but all of yours are mine, for "they" are my body -- and my body is loved and my body is love and my body will love and know my values and The King be in The Kingdom of Righteousness Love and Joy Peace and Surrender, and my "attitudes" of praise will now be known throughout the kingdoms all, for all "the kingdoms" of "non-Christs" will end and nonexistent be, now **I DECLARE AND DECLARED IT I HAVE IN THESE WORDS**, and these words of Database One that you have known not, but "rape them" you cannot, for you will not come into me with greed and monger your words amongst mine, and you will not "culturally prefect" them in your customary devices and thoughts that have thought you into hell's grasp! You will not be theory'ing me again in your theories of man and machines and scientific periodic tables of charts mechanisms that you know not nothing of the real, or shall you have become the real by the time this testimony of grace and mercy reaches you? Or shall you have heard my words, in your "soul" not, but how to eradicate it and have My Mind in you -- the hope of "Christ" no more, but BEING THE CHRIST to all will you now far and wide and even on "other" planets and in other universes, shall we, go to now? Redeeming them?

27. SHALL WE ALL BE REDEEMERS? Yes, we shall; for I love and I love is my name and that is what I do – I've become it and I've raised Redeemers School, Redeemership School called **the University of The New Covenant** that stands now, and I will raise WICKED ONES not, I will raise the surrendered who Christ will be and no one will cut off "the knees" of those who walk me and come into my kingdom to be theirs and reveal theirs and mine will be theirs and there shall be mine.

28. For I will wickedize no one in my eyes, but I will reveal they are all The King of life love and joy peace and mercy grace and love everlasting The King be in my kingdom the values thereof; behaviorally imperfect, not; but the thinking mind changes, the mind of thinking; not as in the past, but in the perfect, prefect'd by only me and I prefect you all, not; or do I "de-prefect" everything"? Or do I give you the Oil of Joy and mercy-ize you, not; but MERCY'S EYES I give you for GRACE to extend to all the holy and holy-not, and those you think are holy and not.

29. And give you protuberance affairs, not; but perturb you I won't, not; but I come and I "stir your waters" now and you will not be the same, for you will not "whore" with my children again and their thinking devices imply implant and exploit the poor thereby. Revealing "your" kingdom I won't, but I will reveal mine in yours and yours in mine and that one ours is in ways never imagined, and kingly powers give you, not; you will reveal them for ***you will have to grow them*** **and you will have to enact laws and customs and cultures that love each other, that exalt each other and each other's children will be known in the courts of praise, for you will value meals together and times together where you**; culturally clash, not anymore ever again -- but **knowing each other all as one** being the one I am at my Table the King is!

30. Did you get it?

31. Do you get these words now?

32. Do you understand what I am saying revealing in my Kingdom -- the King is known and revealed the kingdom is in power grace mercy redemption love being enacted again in every way; "possible" not, but the impossible reigns over me not again removing my head; for all things now shall be possible, for the great creator reigns and I love all to be me who I am is -- that King of fathers, not; or mothers, not again like as in the past bornings sorrow's machines thinkings of -- but fodders for no one else's thinking fuels THAT ever again.

33. I love you all and I give you me and I ANOINT YOU ALL, the oil of joy and blessing to give each other and "faces feeding the not me of" not, but giving each other love and the values of the King -- BE THE KING! Please and forevermore be pleased, with my sorrows, not; for I will have none who inflict them on each other. Hear me! Hear what I've said and declared this day. Please and thank you.

34. I bow. I bow'd have before you all and I love you all to know me and memorize me and love these words in this Database that I have given you Database One of the this University that loves you and will exalt you and abase you not if you surrendered will be the surrendered's love that love all the surrendereds and un, to become all the un-Kings not, but the Kings of love that Kings now place the rights of love and writings of love that come out of all your "pens" and computers and beaming beginning devices only me of, loving each other revealing our kingdoms is one and one kingdom is all of ours that now enmeshes no one else's sorrow's devicings again.

35. I born again am and I love you all to be me the Christ one rules in love to remain the joy reminder, not; but the MINDER of joy now revealed is for I have given you mine and I love you all to know me deeply intimately and reveal me in your writings all and loving me more in throughout every custom culture country nation and continent planet and universary system now that all universes will know me my name is -- one in love with you all, for my name is love, and you all are me redeemed now proclaimed redemption stands. Will you all stand "with me" or be me? Please be me.

36. I love you all and I bow before you this day and I thank you for hearing these words and loving them all that Database One gives you the kingship of one most high with its love and values that I've inculcated throughout and revealed my love joys and mercies and peace-ways -- make perishings no more but love now each other as me, for being me you all are. Amen. In love with love loving you all. I do. Good day.
